

Dear Lily B of LP,

On behalf of the WLS Shorashim School Scholarship Fund, I would like to express our deepest gratitude for your generous donation.

This meaningful contribution, made in memory of your beloved Mother, Lily Bendahan, is a truly moving tribute and a vital contribution to our students.

Your support does more than just fund scholarships; it provides the gift of opportunity, helping students participate in more educational activities. We are immensely grateful for your thoughtful donation.

Thank you for your support!
